Contact Form for Users

Desktop view

The desktop view of the contact form is a wide rectangular layout. At the top, there is a navigation bar. Below it, the title "Contact us" is centered. The form consists of three input fields: "Name:", "E-mail address:", and "Message:". The "Message:" field is a larger text area. Below the form, there are two sections of blacked-out text, each containing five lines, representing "Tips for contacting" and "Other contact method (office address or phone number)".

Navigation bar

Mobile view

The mobile view of the contact form is a narrower rectangular layout. It features a navigation bar at the top, followed by the title "Contact us". The form fields are stacked vertically: "Name", "E-mail address", and "Message". Below the form, there are two sections of blacked-out text, each containing five lines, representing "Tips for contacting" and "Other contact method (office address or phone number)".
